

Important note upon recommended settings

Perfection for life

ERBE Elektromedizin GmbH has taken the greatest possible care in creating this website. Nonetheless, we cannot exclude the possibility that it may contain errors. None of the information and recommendations given on this website may be construed as a basis for any claims against ERBE Elektromedizin GmbH. Should statutory provisions stipulate liability, then such liability shall be limited to intent and gross negligence.

The data relating to settings, application positions, application duration and the use of instruments is based on clinical tests. Such data is merely intended to provide guidelines, the applicability of which must be verified by the operator. Depending on circumstances, it may be necessary to deviate from the data provided on this website.

Medical science is subject to a process of permanent change based on research and clinical experience. It may also be appropriate to deviate from the data provided here based on the results of such research and experience.
